

# My Foolish Heart

Rod Stewart

The night is like a lovely tune  
Beware, my foolish heart  
How wise the ever constant moon  
Take care, my foolish heart There's a line between love and fascination  
That's so hard to see on an evening such as this  
For they both give the very same sensation  
When you're lost in the passion of a kiss Oh, her lips are much too close to mine  
Beware, my foolish heart  
But should our eager lips combine  
Then let the fire start  
For this time it isn't fascination  
Or a dream that will fade and fall apart  
It's love this time  
It's love, my foolish heart There's a line between love and fascination  
That's so hard to see on an evening such as this  
For they both give the very same sensation  
When you're lost in the passion of a kiss, oh yeah Her lips are much too close to mine  
Beware, my foolish heart  
But should our eager lips combine  
Then let the fire start  
For this time it isn't fascination  
Or a dream that will fade and fall apart  
It's love this time  
It's love, my foolish heart It's love this time  
It's love, my foolish heart
