

Landslide

Stevie Nicks & Lindsey Buckingham

1975 by Stevie Nicks
I took my love, I took it down
Climbed a mountain and I turned around
and I saw my reflection in the snow covered hills
'Till the landslide brought me down Oh, mirror in the sky
What is love
Can the child within my heart rise above
Can I sail through the changing ocean tides
Can I handle the seasons of my life~~~
Mmmm mmm mmm
Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm getting older too (Interlude) Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm getting older too
Oh I'm getting older too
Awh, take my love, take it down
Awh, Climb a mountain and turn around
And If you see my reflection in the snow covered hills
Well the landslide bring it down And If you see my reflection in the snow covered hills
Well the landslide bring it down
Oh the landslide bring it down.
