

Replica

Fear Factory

Huh!There is no love
No LoveHuh!I am a duplication
Innocently
I was conceived
So violentlyThere was no love
There was no love for me
There was only hatredI am rape
I am hate
I am rape
I am hate
Every day I feel anonymous hate
Forever in the shadow of disgraceI am rape
I am hate
I am rape
I am hateFilled with pain
A bruised and darkened soul
Spare me from theLife that's full of misery
I don't want to live that way
I don't want to live that wayThere is no loveHuh!Every day I feel anonymous hate
Forever in the shadow of disgrace
I am rape
I am hate
I am rape
I am hateFilled with pain
A bruised and darkened soul
Spare me from the
Life that's full of miseryI am so
Filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of miseryI don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that wayI am so
Filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of miserySpare me from the
Life that's full of pain
Spare me from the
Life that's full of pain
I don't want to live that way

I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
