

# Don't Blame It On Whiskey (feat. Lauren Alaina)

Jon Pardi

We can fight the fight all damn night  
But in the morning light  
The lies reveal the truth  
Yeah, the sober truth  
We wake up to reality  
And play the blame game ruthlessly  
Like it woulda turned out different  
If we woulda stopped at one or two  
But don't blame it on whiskey  
No, this ain't about a drink  
Don't let alcohol take the fall  
For all these thoughts I think  
Let's get down to the bottom  
And not just the bottom of the glass  
This heartbreak train's picking up steam  
And we're standing on the track  
Yeah, I can blame it on you  
Or you can blame it on me  
But don't blame it on whiskey  
So here we are, and there it is  
This line we're leaning up against  
Wondering which way we're gonna fall  
And how we're gonna answer that last call  
But don't blame it on whiskey  
No, this ain't about a drink  
Don't let alcohol take the fall  
For all these thoughts I think  
Let's get down to the bottom  
And not just the bottom of the glass  
This heartbreak train's picking up steam  
And we're standing on the track  
Yeah, I can blame it on you  
Or you can blame it on me  
But don't blame it on-Whiskey might be strong  
But it ain't got nothing on what's going on here  
Let's get down to the bottom  
And not just the bottom of the glass  
This heartbreak train is picking up steam  
And we're standing on the track  
Yeah, I can blame it on me (I can blame it on me)  
Or you can blame it on me (Or you can blame it on me)  
But don't blame it on whiskey  
Yeah, I can blame it on me

You can blame it on me  
But don't blame it on whiskey
