

That's My Jam (feat. Owl City)

Relient K

Turn up the record cause the song's just begun
I'm smashing pumpkins like it's November 1
Wish Britney'd hit me one more time on the phone
So tired of counting crows with Mr. Jones
My sister Hazel knows that it's all for you
Am I a Blur or do you sing my Song 2? Ooh, ooh, ooh summertime
Ooh, ooh, ooh back in '99
Ooh, ooh, ooh, ooooooh our first dance
Ooh, ooh, ooh that's my jam
Jane's addicted, and Alice is in chains
U2 like to move me in mysterious ways
We're chasing waterfalls and wanderwalls
My Jewel you were meant for me,
So save my soul
Add Seven Mary Three plus 98 degrees
Eve 6 times 311
That's you and me Ooh, ooh, ooh summertime
Ooh, ooh, ooh back in '99
Ooh, ooh, ooh, ooooooh our first dance
Ooh, ooh, ooh that's my jam This Blessid Union of Collective Souls
Is the only world we know
This heart-shaWed candle box burns for you alone
You outta know
Ooh, ooh, ooh summertime
Ooh, ooh, ooh feelin' so sublime
Ooh, ooh, ooh, ooooooh Boy II Man
Ooh, ooh, ooh my Pearl Jam Ooh, ooh, ooh summertime
Ooh, ooh, ooh back in '99
Ooh, ooh, ooh, ooooooh take my hand
Ooh, ooh, ooh baby you're my jam
