

# Loyalty

## Birdman & Lil Wayne

You Know While Your Mother Is Cooking The Macaronni Today I Figured Id Sit Down And Talk To You Since Your Old Enough. You Know Its Time That You Really Realize What This Family Is All About Cause About This Time Is When Your Gonna Be Able To Join In And Earn Some Real Money And Real Cash But Before You Do That I Wanna Teach You A Little Bit About Loyalty, The Main Name Of This Game Is Respect And Loyalty. Family Is A Big Thing When We Do This Kind Of Business Everything Is With Respect And When A Family Member Gets Outta Line And Another Family Dont Like It One Thing Leads To Another And The Next Thing You Know, Your Gone And Then Your Just A Memory Of Me, My Hearts Broke Then, But You Gotta Remember Theres Always Family And Loyalty, Loyalty Is The Main Thing. Obviously You Know I Dont Make My Money, I Dont Make All My Cash From Uh Construction Jobs We Do And Uh Sanitation And Private Stuff Is All Earned Money Through The Family And Since Your Of Age Now I Think Its Time ITaught You What Coming Into The Family And Respect Is All About. So The First Thing You Gotta Learn Is The Name Respect, Tha Means You Dont Cross Nobody You Dont Go Over The Line, Once You Go Over That Line Theres No Coming Back Whether Youre A Member Of The Family Or Not. Thats When People Get Whacked And We Dont Want Nobody Whacked In Our Family So I Gotta Teach You The Proper Way Of Respect. When Youre Earning Money, Everybody Earns, Everybody Eats Bread. Its All About Cash Money Thats What Its All About Making The Money. So The First Thing Of Business Is This, You Remember Your Name, You Dont Forgets Your Roots. You Never Ever Disrespect Anyone Thats Above You Especially Your Capo Especially The Big Time Guys, Those Are The Guys You Listen To. You Never Ever Disrespect Anyone Unless Your Told To Unless You Get The Okay. And If There Is No Sit Down Theres Nothing
