Nobody's Love

Maroon 5

How dare you say that my behavior is unacceptable
So condescending unnecessarily critical
I have the tendency of getting very physical
So watch your step 'cause if I do you'll need a miracle
You drain me dry and make me wonder why I'm even here
The double vision I was seeing is finally clear
You want to stay but you know very well I want you gone
Not fit to fuckin' tread the ground I'm walking on
When it gets cold outside and you got nobody to love
You'll understand what I mean when I say
There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there 'cause it's getting harder and harder to breathe Is there anyone out there 'cause it's getting harder and harder to breathe

What you are doing is screwing things up inside my head You should know better you never listened to a word I said Clutching your pillow and writhing in a naked sweat Hoping somebody someday will do you like I did When it gets cold outside and you got nobody to love You'll understand what I mean when I say

There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there 'cause it's getting harder and harder to breathe

Is there anyone out there 'cause it's getting harder and harder to breathe

Does it kill

Does it burn

Is it painful to learn

That it's me that has all the control Does it thrill

Does it sting

When you feel what I bring

And you wish that you had me to hold When it gets cold outside and you got nobody to love

You'll understand what I mean when I say

There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there 'cause it's getting harder and harder to breathe Is there anyone out there 'cause it's getting harder and harder to breathe Is there anyone out there 'cause it's getting harder and harder to breathe
