Take This Life

In Flames

It's not so much the pain
It's more the actual knife
Pretending the picture is perfect
I cut myself to sleepI close my eyes for a second
And meet my fragile soul
I scream to hide that I'm lonely
The echo calls my nameIf I ever, if I never
Make me understand the thought whatever
Make me see, make me be
Make me understand
You're there for me
Take this life, I'm right here
Stay a while and breathe me in
Take this life, I'm right here
Stay a while and breathe me inThe rain drops just beg to hit me
Why now? It hasn't rained for days
No time to play hide-and-seek
I call on to you to take me onBreak me down to pieces
Put me back, do it right this time
Struggling to fill this empty shell
Burn all my efforts
In the end it means nothingIf I ever, if I never
Make me understand the thought whatever
Make me see, make me be
Make me understand
You're there for me
Take this life, I'm right here
Stay a while and breathe me in
Take this life, I'm right here
Stay a while and breathe me inThese thoughts
Burn a hole in my heart
These thoughts
Will keep me free andThese thoughts
Burn a hole in my heart
These thoughts
Will keep me free andIf I ever, if I never
Make me understand the thought whatever
Make me see, make me be
Make me understand
You're there for meTake this life, I'm right here
Stay a while and breathe me in
Take this life, I'm right here

Stay a while and breathe me in
