Lookin' at you I can see what I missed

Love can't ever get better than this

I never knew there was so much in a kiss

Love can't ever get better than this

I knew this ol' world like the back of my hand

I'd known a lot of boys but I never knew a man

You were somethin' darlin I just couldn't resist

Oh love can't ever get better than this

Love can't ever get better than this

You took a country boy and gave his life a new twist

Love can't ever get better than this

I'm tellin' everyone you're at the top of my list

Love can't ever get better than this

I made a lot of money but it didn't buy me dreams

Thought that I was rich but I was only in between

You were somethin' darling I just couldn't resist

Oh love can't ever get better than this

Love can't ever get better than this

Lookin' at you I can see what I missed

Love can't ever get better than this

I'm a tellin' everyone you're at the top of my list

Love can't ever get better than this

I made a lot of money but it didn't buy me dreams

Thought that I was rich but I was only in between

You were somethin' darling I just couldn't resist

Oh love can't ever get better than this

Love can't ever get better than this

Love can't ever get better than this

Love can't ever get better than this

Love can't ever get love can't ever get

Love can't ever get better than this
