

# We Danced Anyway

Deana Carter

The summer air was heavy and sweet  
You and I on a crowded street  
There was music everywhere, I can see us there  
In a happy little foreign town  
Where the stars hung upside down  
A half a world away, far, far away I remember you were laughing  
We were so in love, we were so in love Chorus:  
And the band played  
Songs that we had never heard  
But we danced anyway  
We never understood the words  
We just sang oh la la la la la la la la  
And we danced anyway  
Well they say you can't go back  
But baby I don't believe that  
Come along with me, come on and dance with me  
Well maybe if I hold you close  
Baby we could just let go  
Of these things that tie us down, we'll come back around You remember we were laughing  
We were so in love, so in love (chrous) You remember we were laughing  
We were so in love, we were so in love  
And the band played  
Songs that we had never heard  
But we danced anyway  
We never understood the words  
We just sang oh la la la la la la la la  
La la la of the world  
Ohhhhhh  
And we dance anyway (oohh we were laughing ohh)  
Ohhhh  
And we danced anyway  
(ohh we were dancing ohh)
