

# No Sense (feat. Travis Scott)

Justin Bieber

Yeah, yeah

It don't make no sense unless I'm doing it with you

It don't make no sense unless I'm doing it with you(Alright)

The sun don't set the same as you're watching it go down with me

And I won't sleep the same unless you're waking up in here with me

Oh, my heart's a vacant house when you're gone away, it's so empty

And love don't make no sense when it's empty (Oh no)

I've driven almost every car

It ain't the same when I'm without you, boo

Been around a million stars

None of 'em shine brighter than you

The sky be so dark now without you

Yeah, ooh, baby

It don't make no sense unless I'm doing it with you

It don't make no sense unless I'm doing it with you

Oh been around the world ain't the same without you

It don't make no sense unless I'm doing it with you Focus ain't the same if the picture ain't got  
you in it

In every limelight

Emotions ain't the same if it ain't about you, I don't get it

Ever since the beginning now

You had that effect on me

All I wanna do is you, oh

I mean that so literally

Don't nobody go harder than you

All of the angels must be lonely now, without you, woah

It don't make sense, no

It don't make no sense unless I'm doing it with you

Cause I'm doing it with you baby

It don't make no sense unless I'm doing it with you

I only want to hear your voice, yeah

Oh, been around the world, ain't the same without you

Had to find out the hard way

It don't make sense, no

It don't make no sense unless I'm doing it with you

(Going way up, way up)

It don't make no sense unless I'm doing it with you

(Way up, way up, way up)

(Yeah, slow down stay up, stay up, stay up)

It don't make no sense unless I'm doing it with you Time and time again I break a plan

Without you girl I ain't the man

Could never be all I could be

You overstand, I'm incomplete  
Apparently, you gotta know I hate that  
How am I supposed to take that?  
Boo'd up, missing all of that  
Gotta be laying in that  
Rolled up, put a flame to that  
Couple times you would made it back, be patient  
Won't you pull up to me now, I'm forever young  
It's amazing  
I don't want to sleep unless you at home It don't make sense, no  
It don't make no sense unless I'm doing it with you  
No, It don't make sense  
It don't make no sense unless I'm doing it with you  
No, it don't make sense, it don't make sense  
It don't make no sense unless I'm doing it with you  
(Alright, yeah, alright)
