

Stone Letter

Tomahawk

Well I'm upset, cause I can check
It's like I'm relying, speaking free
Like we used to be for such a long time
Well I throw you a stone letter smooth or rough
And I hope you read it one day, and feel the love I've thrown it, stone letter
Thinking I could know you better
Cause I don't know you, know you anymore
I wrote it, you got it
Don't deny you thought about it,
you don't know me, know me anymore
You're a skeleton that's talking too loud
I think I hear,
I think I'm near a forest of clouds
Watching you degrade yourself, is degrading me
I got no say but you know
I'm going lower than you think I've thrown it, stone letter
Thinking I could know you better
Cause I don't know you, know you anymore
I wrote it, you got it
Don't deny you thought about it,
you don't know me, know me anymore Na-na-na-na-na-na
na-na-na-na-na-na
na-na-na-na-na-na
na-na-na-na-na-na
I've said it, stone letter
Thinking I could know you better
Cause I don't know you, know you anymore
I wrote it, you got it
Don't deny you thought about it and,
you don't know me, know me anymore
I said it, you read it
I said it, you read it
