

# Goodnight Goodnight

## Maroon 5

You left me hanging from a thread we once swung from together  
I licked my wounds but I can never see them getting better  
Something's gotta change,  
Things cannot stay the same Her hair was pressed against her face  
Her eyes were red with anger  
Enraged by things unsaid and empty beds and bad behaviour  
Something's gotta change It must be rearranged  
Ooohh  
I'm sorry  
I did not mean to hurt my little girl  
It's beyond me  
I cannot carry the weight of the heavy world  
So goodnight, goodnight, goodnight, goodnight  
Goodnight, goodnight, goodnight, goodnight  
Goodnight  
Hope that things work out all right, yeah Ooohh  
The room was silent as we all tried so hard to remember  
The way it feels to be alive  
The day that he first met her  
Something's gotta change Things cannot stay the same  
You make me think of someone wonderful  
but I can't place her  
I wake up every morning wishing one more time to face her  
Something's gotta change  
It must be rearranged, Oooh  
I'm sorry  
I did not mean to hurt my little girl  
It's beyond me  
I cannot carry the weight of a heavy world So goodnight, goodnight, goodnight, goodnight  
Goodnight, goodnight, goodnight, goodnight  
Goodnight  
Hope that things work out all right  
So much to love  
So much to learn  
But I won't be there to teach you  
I know I can be close  
But I try my best to reach you  
I'm so sorry  
I did not mean to hurt my little girl  
It's beyond me  
I cannot carry the weight of a heavy world  
So goodnight, goodnight, goodnight, goodnight

Goodnight, goodnight, goodnight, goodnight  
Goodnight, goodnight, goodnight, goodnight  
Goodnight  
Hope that things work out all right
