

Army of One

Bon Jovi

I'm in this world
I've got no fun
Still standing strong
In army of one
So sign me up
I'm a soldier I've got a voice
It's all on me
A beating heart inside of me
I'm an army of one
I'm a soldier These eyes don't know disguise
They're fighting for their all lives
They're all trying to get back home tonight
Never give up
Never give up
Never
Never give up
Never let up
Ever
Never give in
You're an army of one Never give up
Never give up
Never
Never forget
Where you're from
Never give up
You're an army of one
I can't hurt but I still feel
I know that life's a battlefield
When a time get tough
I'm a soldier When it's time to the fight
It's just my side right on my side
I'm an army of one
I'm a soldier Never give up
Never give up
Never
Never give up
Never let up
Ever
Never give in
You're an army of one Never give up
Never give up
Never

Never forget
Where you're from
Never give up
You're an army of one No apologize
Defend for being alive
We're all trying
To get it right tonight Never give up
Never give up
Never
Never give up
Never let up
Ever
Never give in
You're an army of one Never give up
Never give up
Never
Never forget
Where you're from
Never give up
You're an army of one.
