

Be My Baby

Leslie Grace

The night we met I knew I needed you so
Que se clavo como una flecha en mi corazon
So won't you say you love me
I'll make you so proud of me
Ya no quiero nunca escaparme de tu amor
Si quieres tu(Be my be my baby) Be my little baby
(I want it only say) Say you'll be my darling
(Be my be my baby) Be my baby now
(I want it only say) Ooh, ohh, ohh, oh
Puedes estar seguro
que te hare feliz
Y que mis besos serán solo para ti
Oh, since the day I saw you
I have been waiting for you
You know I will adore you
Till eternity
Si quieres tu(Be my be my baby) Be my little baby
(I want it only say) Sabes que te amo
(Be my be my baby) Be my baby now
(I want it only say) Ooh, ohh, ohh, ohh, oh
(Be my be my baby) Be my little baby
(I want it only say) Sabes que te amo
(Be my be my baby) Be my baby now
(I want it only say) Ooh, ohh, ohh, ohh, oh
Si juras que me amas
Prometo ser tu dama
Y amarte para siempre
Mas alla de la razonSi quieres tu
(Be my be my baby) Be my little baby
(I want it only say) Sabes que te amo
(Be my be my baby) Be my baby now
(I want it only say) Ooh, ohh, ohh, ohh, oh
Si quieres tu...
(Be my be my baby) Be my little baby
(I want it only say) Say you'll be my darling
(Be my be my baby) Be my baby now
(I want it only say) Ooh, ohh, ohh, ohh, oh
(Be my be my baby) Be my little baby
(I want it only say) Sabes que te amo
(Be my be my baby) Be my baby now
(I want it only say) Ooh, ohh, ohh, ohh, oh
