

Be Calm

Fun.

As I walk through the streets of my new city
My back feeling much better, I suppose
I've reclaimed the use of my imagination
For better or for worse, I've yet to know
But I always knew you'd be the one to understand me
I guess that's why it took so long to get things right
Suddenly I'm lost on my street, on my block
Oh why, oh why
Oh why haven't you been there for me?
Can't you see, I'm losing my mind this time?
This time I think it's for real, I can see
All the tree tops turning red
The beggars near bodegas grin at me
I think they want something
I close my eyes, I tell myself to breathe
And be calm
Be calm
I know you feel like you are breaking down
Well, I know that it gets so hard sometimes
Be calm
I'm scared that everyone is out to get me
"These days before you speak to me you pause."
"I always see you looking out your window."
"After all, you lost your band, you left your mom."
Now every single crack every penny that I
pass
Says I should either leave or pick it up
But with every single buck I've made
I'm saddled with bad luck that came
The moment I was baptized
or when I found out one day I'm gonna die
if only I could find my people or my place in life
and when they came a 'carolin'
so loud, so bright, the theremin
will lead us to a where we'll all rejoice and sing a song that goes:
Oh be calm
Be calm
I know you feel like you are breaking down
Oh, I know that it gets so hard sometimes
Be calm
Take it from me
I've been there a thousand times
You hate your pulse because it thinks you're still alive
And everything's wrong
It just gets so hard sometimes
Be calm
I don't remember much that night
Just walking, thinking fondly of you
Thinking how the worst is yet to come
When from that street corner came a song
And I can't remember the man

The panhandler or his melody
The words exchanged had far exceeded
Any change I'd given thee Oh, be calm
Be calm
I know you feel like you are breaking down
Oh, I know that it gets so hard sometimes
Be calm
Take it from me
I've been there a thousand times
You hate your pulse because it still thinks you're alive
And everything's wrong
It just gets so hard sometimes
Be calm
Be calm
