

# Dirty World

## Dope

"The best excuse in the world to join the party"Baby what you do to me

Your sex intoxicated me

I'm addicted to the way you move

Oh I want to touch youCause it's a dirty world

Yesterday's trash teen

Hollywood's beauty queen

And she's a dirty girl

Tattoo cigaretttes

Cocain no regrets

Nothing's for free

In the dirty worldI want to taste you

And violate you

Cause I'm addicted to your fantasy

I know you wanna fuck me

(...You wanna fuck me)

Cause it's a dirty world

Yesterday's trash teen

Hollywood's beauty queen

And she's a dirty girl

Tattoo cigaretttes

Cocain no regrets

Nothing's for free

In the dirty world

Red light

Heaven sent

Little Ms. Innocent

And she's a dirty girl

Tattoo cigarettes

Cocain no regrets

Nothing's for free

In the dirty world

We're living in a dirty world (a dirty world)

And she's a dirty girl

We're living in a dirty world

Dirty girl

Nothing's for free

In the dirty world(Dirty world Dirty girl)

And she's a dirty girl

Living in a dirty world (dirty world)

Dirty girlYou say want it all

It's not impossible

You've gotta take that hit

You won't get it for free  
I want your body  
Fuck me like an animal (like an animal) Cause she's a dirty girl  
Yesterday's trash teen  
Hollywood's beauty queen  
And it's a dirty world  
Tattoo cigarettes  
Cocain no regrets  
Nothing's for free  
In the dirty world  
Red light  
Heaven sent  
Little Ms. Innocent  
And she's a dirty girl  
Tattoo cigarettes  
Cocain no regrets  
Nothing's for free  
In the dirty world We're living in a dirty world (a dirty world)  
And she's a dirty girl  
Living in a dirty world  
Dirty girl  
Nothing's for free  
In the dirty world (Dirty girl Dirty world)  
And she's a dirty girl  
Living in a dirty world  
Tattoo cigarettes  
Cocain no regrets  
Dirty girl
