Trust (Spanish Version)

Megadeth

Lost in a dream nothing is what it seems Searching my head for the words that you said Tears filled my eyes as we said our last goodbyes The sad scene replays of you walking away My body aches from mistakes betrayed by lust We lied to each other so much that in nothing we trust Time and again she repeats let's be friends I smile and say yes another truth bends, I must confessI try to let go, but I know we'll never end 'til we're dust We lied to each other again but I wish I could trust My body aches from mistakes betrayed by lust We lied to each other so much that in nothing we trust God help me please, on my knees betrayed by lust We lied to each other so much now there's nothing we trust How could this be happening to me I'm lying when I say, "Trust me"I can't believe this is true trust hurts, why does trust equal suffering? My body aches from mistakes betrayed by lust We lied to each other so much that in nothing we trust God help me please, on my knees betrayed by lust We lied to each other so much now there's nothing we trust My body aches from mistakes betrayed by lust We lied to each other so much that in nothing we trust God help me please, on my knees betrayed by lust We lied to each other so much now there's nothing we trust Absolutely nothing we trust!
