

For the First Time

Rod Stewart

Are those your eyes?
Is that your smile?
I been looking at you for ever
yet never saw you before.
Are these your hands? Holding mine?
Now I wonder how I could have been so blind.
And for the first time, I am looking in your eyes.
For the first time, I'm seeing who you are.
I can't believe how much I see
when you're looking back at me.
now I understand what love is
love is...
For the first time...
Can this be real?
Can this be true?
Am I the person I was this morning?
And are you the same you?
It's all so strange.
How can it be?
All along this love was right in front of me!
And for the first time, I am looking in your eyes.
For the first time, I am seeing who you are.
I can't believe how much I see
when you're looking back at me.
Now I understand what love is...
Love is...
For the first time.
Such a long time ago
I had given up on finding this emotion
ever again.
But you're here with me now
yes I found you somehow
and I've never been so sure.
For the first time, I am looking in your eyes.
For the first time, I'm seeing who you are
can't believe how much I see
when you're looking back at me.
Now I understand what love is...
Love is...
For the first time.
For the first time.
