

# Infected

## Eyes Set to Kill

I think you've been infected  
Take all of the pain  
All of the pain and regret  
Now that I am reckless I'm giving away  
Giving away your secrets  
Just to watch you burn!  
How does it feel on the outside  
Looking inside  
Till you feel rejected  
I watch you to see what it looks like  
On the inside  
Your the one infected!  
Your the one infected!  
Your the one infected!  
I'm known to your affliction  
Keep running away  
Running away  
You get what you deserve  
Now, now I feel ambitious  
I'm giving away  
Giving away your secrets  
Just to watch you burn!  
How does it feel on the outside  
Looking inside  
Till you feel rejected  
I want you to see, what it looks like  
On the inside  
Your the one infected!  
Your the one infected!  
Your the one  
Your the one infected
