

Kissing Strangers (feat. Nicki Minaj)

DNCE

Young Money

Kissing strangers Aye, I'm just trying to make my way on through the concrete jungle
Who walks with me?

Aye, oh yeah, tryna find connection in two-thousand something ain't easy Woohoo, can't quit,
take sips

Wanna taste you

Ooh, make wish, use lips

Kissing strangers

Na na na na na na na na

'Til I find someone I love

Na na na na na na na na

Kissing strangers

Na na na na na na na na

'Til I find someone I trust

Na na na na na na na na

Kissing strangers

Open heart, open mind

Never know who you'll find

Open heart, close your eyes

Kissing strangers

Na na na na na na na na

'Til I find someone I love

Na na na na na na na na

Kissing strangers

Aye, all misinformation open to interpretation

Just keep searching me

Hyperventilating, blocking up my circulation

No waiting Woohoo, can't quit, take sips

Wanna taste you

Ooh, make wish, use lips

Kissing strangers Na na na na na na na na

'Til I find someone I love

Na na na na na na na na

Kissing strangers

Na na na na na na na na

'Til I find someone I trust

Na na na na na na na na

Kissing strangers

Open heart, open mind

Never know who you'll find

Open heart, close your eyes

Kissing strangers

Na na na na na na na na
'Til I find someone I love
Na na na na na na na na
Kissing strangers I got a boy that I kinda like
This is a kiss-kiss, tongue him down kind of night
He got that mmm, mmm, hard, got that China white
He got that bomb, I think I'mma call him dynamite
I gotta lotta sons, I could show you all the sonograms
Me? I'm Jem, and these bitches is the holograms
Me? I win, and these bitches just lose
They ship sink, but my ship, it just cruise
Anyway, I'm back, with my baby gat, gimme piggy back
Drip drip, where that kitty cat, put it in his lap
Sip sip on the tip tip, lick on his lip-lip
I think he's tryna hit young Nick like the quick pic Na na na na na na na na
Kissing strangers Na na na na na na na na
'Til I find someone I love
Na na na na na na na na
Kissing strangers
Na na na na na na na na
'Til I find someone I trust
Na na na na na na na na
Kissing strangers
Open heart, open mind
Never know who you'll find
Open heart, close your eyes
Kissing strangers
Na na na na na na na na
'Til I find someone I love
Na na na na na na na na
Kissing strangers
