

# Finish What Ya Started

## Van Halen

(One, two, one, two, three, four) Come on, baby  
Ow. Wha-oh-a-wha-oh-wha-oh  
Uh! Oh, if you wanna see other guys  
Baby, I could let it slide  
You wanna lover, you want a friend  
Mama I can be both of them I got the tools, to satisfy-uh  
Just walk away  
If I fall shy at all  
Uh! Come on baby, finish what ya started  
I'm incomplete, huh!  
That ain't no way to treat the broken-hearted  
I need some sympathy!  
I like to look at the long run  
I like to take each step, one by one  
Right on time, you will arrive  
By keepin' the dream alive It's alive  
And it's kickin'  
Inside of me  
So come on baby, please Come on baby finish what ya started  
Oh! I'm incomplete uh!  
That ain't no way to treat the broken-hearted  
Ow! Come on and finish me! (Guitar Solo) (Baby come on)
