

# Take the Box

[Amy Winehouse](#)

Your neighbors were screaming, I don't have a key for downstairs  
So I punched all the buzzers, hoping you wouldn't be there

...

And now my head's hurting, you say I always get my own way  
...But you were in the shower when I got there, and I'd have wanted to stay

...But I got nothing to say

You were so beautiful before today

And then I heard what you say, man, that was ugly

The Moschino bra you bought me last Christmas

Put it in the box, put it in the box Frank's in there, and I don't care

Put it in the box, put it in the box

Just take it, take the box, take the box

...

I came home this evening and nothing felt like how it should be...

I feel like writing you a letter but that's not me, you know me

Feel so \*\*\* angry, don't wanna be reminded of you

But when I left my \*\*\*\*\* in your kitchen, I said goodbye to your bedroom

And smelled of you

Mr. False Pretense, you don't make sense, I just don't know you

But you make me cry, where's my kiss goodbye? I think I love you

The Moschino bra you bought me last Christmas

Put it in the box, put it in the box

Frank's in there I don't care

Put it in the box, put it in the box

Now take it, take the box

...

Just take it, take it take the box

And now just take the box, take the box

...
