

Seal It With a Kiss

Britney Spears

See you all tonight smiling and talking
We can be polite, when we know they're watching
But I want you like that
Yeah, I want you like that
Yeah, I want you
Yeah, I want you
Yeah, I want you like that Say you're just a friend, I'm a little liar
When we play pretend, body is on fire
Cause I like it like that
Yeah, I like it like that
Yeah, I like it
Yeah, I like it
Yeah, I like it like that
Come here, closer, don't be shy
Cross my heart and hope to die
Keep my secret, me and you
And seal it with a kiss, oh oh oh
In the shadows, where it's hot
Love the risk of getting caught
Wanna taste forbidden fruit
And seal it with a kiss, oh oh oh When you look at me, there is no mistaking
Like telepathy, I know what you thinking
That you want me like that
Yeah, you want me like that
Yeah, you want me
Yeah, you want me
Yeah, you want me like that
Ultraviolet light, burning hot like you do
Can we synchronize? Meet me in the back room
Cause I like it like that
Yeah, I like it like that
Yeah, I like it
Yeah, I like it
Yeah, I like it like that Come here, closer, don't be shy
Cross my heart and hope to die
Keep my secret, me and you
And seal it with a kiss, oh oh oh
In the shadows, where it's hot
Love the risk of getting caught
Wanna taste forbidden fruit
And seal it with a kiss, oh oh oh Say you're just a friend, I'm a little liar Come here, closer, don't
be shy

Cross my heart and hope to die
Keep my secret, me and you
And seal it with a kiss, oh oh oh
In the shadows, where it's hot
Love the risk of getting caught
Wanna taste forbidden fruit
And seal it with a kiss, oh oh oh
