

# Rescue Me

## The Alarm

A renegade  
Rides a run away train  
To liberate  
Tear these bonds assunder  
A fugitive  
Running from a chain gang  
Comfort me  
Grant me absolutionRunning all my life  
Running all my day  
Running through the night  
Seems like forever  
Take me now  
I'm so tired  
Take me now  
This time, forever  
RESCUE ME  
I'm on the run like a refugee  
RESCUE ME  
Oh come on rescue meI'm destitute  
I'm looking for protection  
I want love  
And physical asylum  
A vagabond  
Running from destruction  
Cover me  
While I seek defection  
Running all my life  
Running all my day  
Running through the night  
Seems like forever  
Take me now  
I'm so tired  
Take me now  
This time, foreverRESCUE ME  
I'm on the run like a refugee  
RESCUE ME  
I believe you can rescue meRunning all my life  
Running all my day  
Running through the night  
Seems like forever  
Take me now  
I'm so tired

Take me now  
This time, forever RESCUE ME  
On the run like a refugee  
RESCUE ME  
Oh come on rescue me  
RESCUE ME  
Got to run like a refugee  
RESCUE ME  
I believe you can rescue me  
RESCUE ME  
Come on, come on, come on, come on
