Rescue Me

The Alarm

A renegade Rides a run away train To liberate Tear these bonds assunder A fugitive Running from a chain gang Comfort me Grant me absolutionRunning all my life Running all my day Running through the night Seems like forever Take me now I'm so tired Take me now This time, forever **RESCUE ME** I'm on the run like a refugee **RESCUE ME** Oh come on rescue meI'm destitute I'm looking for protection I want love And physical asylum A vagabond Running from destruction Cover me While I seek defection Running all my life Running all my day Running through the night Seems like forever Take me now I'm so tired Take me now This time, foreverRESCUE ME I'm on the run like a refugee **RESCUE ME** I believe you can rescue meRunning all my life Running all my day Running through the night Seems like forever Take me now I'm so tired

Take me now This time, foreverRESCUE ME On the run like a refugee RESCUE ME Oh come on rescue me RESCUE ME Got to run like a refugee RESCUE ME I believe you can rescue me RESCUE ME Come on, come on, come on
