

# Speedin' Back to My Baby

Ace Frehley

I'm drivin' down the road doin' 95 miles per hour... oh-yeah  
My radio's blastin' and I'm passin' cars faster and faster... uh-ha  
I'm feelin' kinda down 'cause I left her with a frown, my baby... oh-yeah  
We always seem to fight when things are goin' right and maybe... uh-ha Maybe I should turn  
around, maybe I should stop  
Maybe I should turn around Chorus:  
Speedin' back to my baby  
And I don't mean maybe  
Speedin' back to my baby  
And I don't mean maybe  
You know, maybe I should turn around, maybe I should stop  
Maybe I should turn around I'm lookin' for a station 'cause there's no acceleration to get back  
(Speedin' back) oh yeah (speedin' back)  
My gage is showin' red and my battery's dead  
I better (speedin' back) find one fast (ooh... speedin' back)  
The whole thing began 'cause I saw her with a man, my baby  
(Ooh... speedin' back) oh yeah (ooh... speedin' back)  
I really wouldn't mind, but you know I've got my pride to think of  
(Ooh... speedin' back) uh-ha (ooh... speedin' back) Maybe I should turn around  
Maybe I should stop  
Maybe I should turn around Speedin' back to my baby  
And I don't mean maybe  
Speedin' back to my baby  
And I don't mean maybe  
I found me a station, now I got acceleration to get back  
(Speedin' back) oh-yeah (ooh... speedin' back)  
She's my only girl and to me she's just the world, so maybe  
(Ooh... speedin' back) uh-ha (ooh... speedin' back) Maybe I should turn around  
Maybe I should stop  
Maybe I should turn around Speedin' back to my baby  
And I don't mean maybe  
Speedin' back to my baby  
And I don't mean maybe  
Speedin' back to my baby (I'm speedin' back)  
And I don't mean maybe (no-no-no)  
Speedin' back to my baby (I'm speedin' back)  
And I don't mean maybe  
Speedin' back to my baby (speedin' back, speedin' back)  
And I don't mean maybe (speedin' back to my baby)  
Speedin' back to my baby  
And I don't mean maybe

Speedin' back
