

# Decadence Dance

## Extreme

"Francis!  
Francis! Be careful!"Let's GoTrying so hard to keep up with the Joneses  
Running a rat race and won by our noses  
Always put one foot in front of the other  
And dance to the beat of the decadent drummerJust buy a brand new pair of Fred Astaire shoes  
Climbing to the top, never gonna stop  
It's the same old song, and one, two, three, and dec-a-dance(Dance) Dance  
(Dance) Dance  
(Dancing to the decadence dance) Dance  
Everybody decadancing  
Dancing to the decadence  
Dancing to the decadence dance  
It's hard to stop once the music gets started  
'Til the soles of your feet harden up like your heart did  
Stepping in line with the sign of the timer  
Seduced by the tune of the decadent dancerWoo!  
The decadent dancer!Just buy a brand new pair of Fred Astaire shoes  
Climbing to the top, never gonna stop  
It's the same old song, and one, two, three, and dec-a-dance(Dance) Dance  
(Dance) Dance  
(Dancing to the decadence dance) Dance  
Everybody decadancing  
Dancing to the decadence  
Dancing to the decadence  
(Dance) Dance
