

# We'll Be Coming Back (feat. Example)

Calvin Harris

Standing in the light till it's over  
Out of our minds  
Someone had to draw a line  
We'll be coming back for you one day  
We'll be coming back for you one day I don't even care if I know you  
Out of our minds  
Got to leave it all behind  
We'll be coming back for you one day  
We'll be coming back for you one day Standing in the light  
Standing in the light  
We'll be coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming back  
coming  
Standing in the light We took it all apart  
But I'm wishing I'd stayed  
In the back room something I heard you say  
We didn't want to call it too early  
Now it seems a world away  
But I miss the thing, are we ever gonna feel the same? Standing in the light till it's over  
Out of our minds  
Someone had to draw a line  
We'll be coming back for you one day  
We'll be coming back for you one day  
I don't even care if I know you  
Out of our minds  
Got to leave it all behind  
We'll be coming back for you one day  
We'll be coming back for you one day Standing in the light
