

Sign of the Gypsy Queen

April Wine

Lightning smokes on the hill rise
Brought the man with the warning light
Shouting loud "you had better fly"
While the darkness can help you hide
Trouble's comin' without control
No one's stayin' that's got a hope
Hurricane at the very least
In the words of the gypsy queen Sign of the gypsy queen
Pack your things and leave
Word of a woman who knows
Take all your gold and you go
Get my saddle and tie it on
Western wind who is fast and strong
Jump on back, he's good and long
We'll resist 'til we reach the dawn
Runnin' seems like the best defense
Stayin' just don't make any sense
No one could ever stop it now
Show the cards of the gypsy town Sign of the gypsy queen
Pack your things and leave
Word of a woman who knows
Take all your gold and you go
Shadows movin' without a sound
From the hold of the sleepless town
Evil seems to be everywhere
Heed the spirit that brought despair
Trouble's comin' without control
No one's stayin' that's got a hope
Hurricane at the very least
In the words of the gypsy queen Sign of the gypsy queen
Pack your things and leave
Word of a woman who knows
Take all your gold and you go Sign of the gypsy queen
Pack your things and leave
Word of a woman who knows
Take all your gold and you go Sign of the gypsy queen
Pack your things and leave
Word of a woman who knows
Take all your gold and you go
