

# Who (feat. BTS)

Lauv

Our minds have new, eyes and visions of you  
Girl, I think I need a minute  
To figure out what is, what isn't These choices and voices, they're all in my head  
Sometimes you make me feel crazy  
Sometimes I start to think you hate me like, yeah I need a walk, I need a walk  
I need to get out of here  
'Cause I need to know  
Who are you?  
'Cause you're not the girl I fell in love with, baby  
Who are you?  
'Cause something has changed  
You're not the same, I hate it  
Oh, oh-oh, I'm sick of waiting for love, love  
Oh, oh-oh, I know that you're not the one, one Feelin' hypnotized by the words that you said  
Don't lie to me, just get in my head  
When the morning comes, you're still in my bed  
But it's so, so cold Who are you?  
'Cause you're not the girl I fell in love with  
Who are you?  
'Cause you're not the girl I fell in love with, baby  
Who are you? (Who are you?)  
'Cause something has changed  
You're not the same, I hate it  
Oh, oh-oh, I'm sick of waiting for love, love  
Oh, oh-oh, I know that you're not the one, one
