## Koffee

Koffee come in like a rapture Koffee come in like a rapture And everybody get capture

Place lift up like helicopter

When dem see di lyrics contractor

Koffee come in like a rapture

Everybody get capture

Place lift up like helicopter

Aye! When dem see di lyrical doctor

Yo a first mi see people deh round me so plenty

But mi pocket nu empty mi need space

Sitting ina di Bentley, pickiny a di century

Yuh drench mi but fi mi fiyah gon blaze

And a same way suh

Mi see di enemy a protest

And him couldn't come di closest

A Koffee still a do the mostest

A wa me do put in the work

And trust the process, oh yes

A so we grind right now

Koffee wid di, Koffee wid di prime time flow

Time fi we accumulate di coins I know

Jah gimme di, Jah gimme di signs like woah Koffee come in like a rapture

And everybody get capture

Place lift up like helicopter

When dem see di lyrics contractor

Koffee come in like a rapture

And everybody get capture Place lift up like helicopter

Mi will hold still until di Koffee tun blue  
Tell dem gwaan chill until di Koffee done brew, oohKoffee come in like a rapture  
And everybody get capture  
Place lift up like helicopter  
When dem see di lyrics contractor  
Koffee come in like a rapture  
And everybody get capture  
Place lift up like helicopter  
Aye!  
When dem see di lyrical doctor
