## My Forbidden Lover (7" Edit) [Remastered]

## Chic

My forbidden lover, I don't want no other My forbidden lover, I don't want no otherI fell in love and I didn't want to do it cause I knew That your love wasn't true

> You try to hide that sinister appearance and the lies Whew, those alibisYou give your love to anyone who asks, yes you do

> > And I know that it's true

But still I care and I want to see you there

When I need, yes indeed, you areMy forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

I can't resist that very strong urge just to have you, dear

Oh, please come here

Just let me love you, anytime and any place we dare

We'll just let them stareYou want to love everybody and everything you can

You're the typical man

Yet still and all, I'm at your beck and call

When you need, yes indeed, you areMy forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other My love is forbidden, we keep our love hidden

My love is forbidden, we keep our love hidden

My love is forbidden, we keep our love hidden

My love is forbidden, we keep our love hidden

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover
