

My My My

Rob Thomas

The light from the window is fading
You turn on the night
The sound from the avenue's calling you
Open your eyes
And when you find
You're spending your time
Wanting for words
But never speak
You tell yourself
That the things you need come slow
But inside you just don't know
My, my, my
Let your bright light shine
Let your words live on
Far beyond this life
Beyond this life
Hold on to anything
Everything's over and done
Has the fear taken over you
Tell me
Is that what you want
To make up your life
Time after time
You're falling behind
Hold on to me
Never leave
Forever be what you mean to me right now
Don't you feel better now
