

# A Forest (Bestival Live 2011)

## The Cure

Come closer and see  
See into the trees  
Find the girl  
While you can  
Come closer and see  
See into the dark  
Just follow your eyes  
Just follow your eyes I hear her voice  
Calling my name  
The sound is deep  
In the dark  
I hear her voice  
And start to run  
Into the trees  
Into the trees Into the trees  
Suddenly I stop  
But I know it's too late  
I'm lost in a forest  
All alone  
The girl was never there  
It's always the same  
I'm running towards nothing  
Again and again and again...
