Long Black Train

Josh Turner

There's a long black train coming down the line Feeding off the souls that are lost and cryin' Rails of sin only evil remains Watch out brother for that long black train Look to the heavens you can look to the sky You can find redemption staring back into your eyes There is protection and there's peace the same Burning your ticket for that long black train Cause there's vict'ry in the Lord I say Vict'ry in the Lord Cling to the Father and his holy name And don't go riding on that long black train There's an engineer on that long black train Making you wonder if the ride is worth the pain He's just a waiting on your heart to say Let me ride on that long black train But you know there's vict'ry in the Lord I say Vict'ry in the Lord Cling to the Father and his holy name And don't go riding on that long black train Well I can hear the whistle from a mile away It sounds so good but I must stay away That train is a beauty making everybody stare But its only destination is the middle of nowhere But you know there's vict'ry in the Lord I say Vict'ry in the Lord Cling to the Father and his holy name And don't go riding on that long black train I said cling to the Father and his holy name And don't go riding on that long black train Yeah watch out brother for that long black train That devil's a driving that long black train
