The Other Side (feat. CeeLo Green & B.o.B)

Bruno Mars

Truth of the matter is I'm complicated
You're as straight as they come
You go about your day, baby
While I hide from the sunIt's better if you don't understand
'Cause you won't know what it's like until you tryYou know I
I'll be waiting on the other side

And you

All you got to do is cross the line
I could wait a whole lifetime
But you just got to decide

You know I will be waiting on the other, waiting on the other side

We would live forever

Who could ask for more?

You could die if you wanted

But baby what for?It's better if you don't understand And you won't know what it's like until you tryYou know I I'll be waiting on the other side

And you

All you got to do is cross the line I could wait a whole lifetime But you just got to decide

You know I I'll be waiting on the other, waiting on the other side
If they say life's a dream, call this insomnia
'Cause this ain't Wonderland it damn sure ain't Narnia
And once you cross the line You can't change your mind
Yeah I'm a monster but I'm no Frankenstein

And quite frankly I've been feelin' insane In between my eyes

I really can't explain what I feel inside

If you knew what I was you'd run and hide (huh)

Many have tried to go into the night

And cross over the line and come back alive

But that's the price we payin' when we livin' on the other sideYou know I

I'll be waiting on the other side

And you

All you got to do is cross the line I could wait a whole lifetime But you just got to decide

You know I I'll be waiting on the other, waiting on the other side

It's better if you don't understand It's better if you don't understand It's better if you don't understand It's better if you don't understand

It's better if you don't understand It's better if you don't understand Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
