

# Something I Need

## OneRepublic

I had a dream the other night  
About how we only get one life  
Woke me up right after two  
Stayed awake and stared at you  
So I wouldn't lose my mind And I had the week that came from hell  
And yes I know that you can tell  
But you're like the net under the ledge  
But I go flying off the edge  
You go flying off as well And if you only die once I wanna die with  
You got something I need  
In this world full of people there's one killing need  
And if we only die once (hey) I wanna die with you  
(you, you, you)  
You got something I need  
In this world full of people there's one killing need  
And if we only die once (hey) I wanna die with you  
(you, you)  
Last night I think I drank too much  
Call it our temporary crutch  
With borken words I tried to say  
"Honey don't you be afraid  
If we got nothing we got us" (Yeah) And if you only die once I wanna die with  
You got something I need  
In this world full of people there's one killing need  
And if we only die once (hey) I wanna die with you  
(you, you, you)  
You got something I need  
In this world full of people there's one killing need  
And if we only die once (hey) I wanna die with you  
(you, you, you) I know that we're not the same  
But I'm so damn glad that we made it  
To this time, this time, now  
(yeah)  
You got something I need  
Yeah in this world full of people there's one killing need  
And if we only die once I wanna die with you  
(yeah)  
You got something I need  
In this world full of people there's one killing need  
And if we only die once (hey) I wanna die with you  
(you, you, you)  
You got something I need

In this world full of people there's one killing need  
And if we only die once (hey) I wanna die with you  
(you, you, you)

If we only die once I wanna die with  
If we only live once I wanna live with you
