

# Zero (feat. Phidel)

## Delerium

It's your touch  
against the whiteout  
Blind as a blizzard  
I have been  
Take me to zero I, I, I'm a traitor  
For your love  
Cold as the ice-flow  
I, I, I'm a failure  
for your trust  
Keeping me hollow Take me to zero  
It's enough to sink  
A lighthouse  
It's an masterminding sea  
Your wave over-turns me  
I, I, I'm a traitor  
for your love  
Cold as the ice-flow  
I, I, I'm a failure  
for your trust  
Leaving me hollow Take me to zero I'm a traitor for your love  
Cold as the ice-flow  
I, I, I'm a failure for your trust  
Leaving me hollow  
Take me to zero  
And I never wanted to  
survive that wave  
I never wanted  
I never wanted  
to be saved  
And I never wanted to  
survive that we I never  
wanted to be saved  
No, take me to zero  
I, I, I'm a failure for your  
trust Leaving me hollow  
Oh, Oh, take me to zero  
I never wanted
