

# It's You I Love

Fats Domino

You know, I love you, want you to love me too  
Let's get together like old folks used to do  
We'll get married, go to Paris  
Come here, it's me, it's you I love I'll be your little boy, you'll be my little girl  
We'd go 'round and 'round, 'round this crazy world  
Even in the rain we'll go hand in hand  
Come here, it's me, it's you I love No matter what the people say, we'll do things our way  
We'd be together each and every day  
When you are blue I'd be there with you  
Come here, it's me, it's you I love You know, I love you, want you to love me too  
Let's get together, like old folks used to do  
We'll get married, go to Paris  
Come here, it's me, it's you I love  
I'll be your little boy, you'll be my little girl  
We'd go 'round and 'round, 'round this crazy world  
Even in the rain we'll go hand in hand  
Come here, it's me, it's you I love
