

# Tko (feat. J Cole, A\$AP Rocky & Pusha T)

## Justin Timberlake

Kill me with the coo-coochie-coochie-coo  
She kill me with the coo-coochie-coochie-coo  
Lights out, TKOBaby, everyday in training to get the gold  
That's why your body's crazy  
But you can't run from yourself, that's where it's difficult  
Girl I can see in your eyes that there's something inside that made you evil  
Where did you go, 'cause it just ain't fair  
Over here thinking 'bout the shit you say  
Don't know why it gets to me  
It cuts right on my eye, yeah it hurt, won't lie  
Still can't see, think I saw you with another guy  
Terrified, knocked down, then I got over you  
Can't fight no more, you knock me out  
What am I supposed to do? I don't understand it  
Tell me how could you be so low  
Been swinging after the bell and after all of the whistle blows  
Tried to go below the belt, through my chest, perfect hit 'til the dawn, dammit babe  
This ain't the girl I used to know  
No, not anymore, TKO  
I'm out for the count  
Yeah, girl, you knock me out  
It's just a TKO  
I'm out for the count  
Yeah, girl, you knock me out  
With a TKO  
T-TKO  
Out for the count  
Yeah, girl, you knock me out  
With a TKO  
Now, I'm out for the count  
Yeah, girl, you knock me out  
With a TKOBaby, now I really know what we're fighting for  
This rematch sex is amazing  
But nobody wins when if somebody's heart is slow  
'Cause when I see you move like you got something inside that made you lethal  
Where did you go, 'it just ain't fair  
Over here thinking 'bout the shit you do  
Don't know what I got to lose  
It cuts right on my eye, yeah it hurt, won't lie

Still can't see, think I saw you with another guy  
Terrified, knocked down, then I got over you  
Can't fight no more, you knock me out  
What am I supposed to do? I don't understand it  
Tell me how could you be so low  
Been swinging after the bell and after all of the whistle blows  
Tried to go below the belt, through my chest, perfect hit 'til the dawn, dammit babe
