

# Dreams

## John Legend

Every time I close my eyes  
Visions of you come to life  
And I see  
What we could be I don't want to be awake  
I don't want to see a day  
Dawnin'  
Like this morning Sun brings light  
Reality strikes  
So bring back the night  
Cause I'm longin' To dream dream dream dream  
Dream dream dream dream  
Like lovers do  
And it might come true  
If I dream dream dream dream  
Dream dream dream dream  
It just might be the only time that I'm with you When I dream dream dream  
Dream dream dream  
Of you Close to me  
Still so far  
Close enough  
To feel your heart is falling  
But he's calling Baby it seems the time is never right  
You're goin' left and I'm goin' right  
It's crazy  
But I'm still waiting If I play my cards right  
My lucks gonna strike  
Until then there's a night  
All I wanna do Is dream dream dream dream  
Dream dream dream dream  
Like lovers do  
And it might come true If I dream dream dream dream  
Dream dream dream dream  
It just might be the only time that I'm with you When I dream dream dream  
Dream dream  
Oh I dream  
Yes I dream  
Dream dream  
Dream dream  
They say that dreams they sometimes do come true Your star shines so bright  
You're the queen of my night  
in the daytime not quite  
But I'm so glad that I Can dream dream dream

Dream dream dream  
Like lovers do  
And it might come true If I dream dream dream  
Dream dream dream  
It just might be  
The only time  
That Ill be with you But Ill dream dream dream  
Dream dream dream  
Of you
