

Booty Call (feat. E-40)

Brokencyde

Ahh ah ah Oh baby girl you got me so mixed up inside
I don't know if I can't handle it.

So baby tell me what I gotta do to make it right.
I promise Im not scandalous Yeah! Your just a booty call
Booty Call!

Will you be my booty call?

Booty Call!

Will you my booty call?

Drop those panties to the floor! Nasty girls know me like what

Call your girl to give me some

Drop it girl go take it back

I'll take you to the candy shack

Like jolly ranchers sugar daddys

Chocolate covered booty panties

Lots of women in my cami

It's gonna get a little nasty

E-40!

Ohh!

Lets go start another party

Smoke a little chronic and get naughty

Pop a few drinks and get sloppy

Drunk, Crunk

Girl you got a big ol donk (donk)

Look at the junk in your trunk (trunk)

I like your lady lumps (lumps)

Looking in those pants

I know a couple dudes who give you all they money if you dance Get nasty girl get nasty And
shake it like chocolate milk

Your just a booty call

Booty Call!

Will you be my booty call?
