Guess you?indigo  
Don't act like you're rich, just?go for broke  
Just go for broke  
You see me right now, yeah, I'm ready to go  
Yeah, I'm ready to go[Break]  
Go

[Verse 2: Danny Brown]

Click that thang like tambourines  
I'm tryna tap that like [?]  
[?], southside, let me in between  
Wavy with the honey, and I'm tryna sing  
Ay, ay, ay, what you mean?  
Got my hair puffed up like ex marine  
Walk out that [?], you trust the king  
That ass so fat, bustin' out them jeans  
Bust it open, look back at it  
Losin' my mind, like a crack addict  
Losin' my breath, gettin' asthmatic  
'Cause a [?], did a jackrabbit  
Lookin' back, baby, look at it  
[?], rollin' safe and I want the addict  
[?], like a bad habit  
Oh, I really gotta have it

[Bridge]

Meet me at my place  
Your face, Bombay  
More bass  
Illustrates slow shape  
Double-take, got me lookin' back  
Meet me at my place  
Your face, Bombay  
More bass  
Illustrates slow shape  
Double-take, got me lookin' back[Break]  
Go[Verse 3: Danny Brown]  
Back up on it like dumps in a truck  
[?] make a player just wanna go guts  
I be gettin' [?]

'Cause they get one time  
That thing jiggle even when she strut  
Ay, ay, know what's up  
Tryna get behind it when you're doin' toe-tucks  
Shootin' my shot and I'm hittin' in the clubs  
Make a player just wanna go nuts  
Work that shit, let me have some more  
Let me take the red off, let me crack the go  
Could you get up on it while you drop it low  
You already know I'm read' to go  
No, throw it on me  
Baby girl, throw it back  
Know where I'm goin' but you got me off track  
God damn girl, just how you do that?  
Make me wanna double take  
Got me lookin' back
