

Cherokee Maiden

[Merle Haggard](#)

One night when the moon was bright on the moonlit glade
That is where I found my little Cherokee maid
The memory of that night of love is lingering yet
And I know I never will forget My little Cherokee maiden, I love her so
And though we're far apart
I know I'll never be tradin' my love for her
For anybody else's heart Someday I'll make a trip back to that Cherokee strip
And I'll carry her away with me
And straight as an arrow flies we'll ride to paradise
My sweet little chickadee, my little Cherokee maiden and me My little Cherokee maiden, I love
her so
And though we're far apart
I know I'll never be tradin' my love for her
For anybody else's heart
Someday I'll make a trip back to that Cherokee strip
And I'll carry her away with me
And straight as an arrow flies we'll ride to paradise
My sweet little chickadee, my little Cherokee maiden and me
