

Graveyard

Halsey

It's crazy when
The thing you love the most is the detriment
Let that sink in You can think again
When the hand you wanna hold is a weapon and
You're nothin' but skin Oh, 'cause I keep diggin' myself down deeper
I won't stop 'til I get where you are
I keep running, I keep running, I keep running
They say I may be making a mistake
I would've followed all the way, no matter how far
I know when you go down all your darkest roads
I would've followed all the way to the graveyard
Oh, 'cause I keep diggin' myself down deeper
I won't stop 'til I get where you are
I keep running when both my feet hurt
I won't stop 'til I get where you are
Oh, when you go down all your darkest roads
I would've followed all the way to the graveyard (No, oh) You look at me (Look at me)
With eyes so dark, don't know how you even see
You push right through me (Push right through me)
It's gettin' real
You lock the door, you're drunk at the steering wheel
And I can't conceal
Oh, 'cause I've been diggin' myself down deeper
I won't stop 'til I get where you are
I keep running, I keep running, I keep running They say I may be making a mistake
I would've followed all the way, no matter how far
I know when you go down all your darkest roads
I would've followed all the way to the graveyard
Oh, 'cause I keep diggin' myself down deeper
I won't stop 'til I get where you are
I keep running when both my feet hurt
I won't stop 'til I get where you are
Oh, when you go down all your darkest roads
I would've followed all the way to the graveyard Oh, it's funny how
The warning signs can feel like they're butterflies Oh, 'cause I keep diggin' myself down deeper
I won't stop 'til I get where you are
I keep running when both my feet hurt
I won't stop 'til I get where you are
Oh, when you go down all your darkest roads
I would've followed all the way to the graveyard
