

You've Got It

Simply Red

This impossible power
A strength that I can't see
There's no way
That I can let you go away Why did I mistake
Sex for another sense
Then wanted someone else
To try to tell you no? I think you understand
Oh that you've got it
I try hard but I can't
Oh do without it
I think you understand
That you've got it
This impossible power
Has broken into me
And stolen all the sense
That I had before Why did I just take
And never understand
The love you've given me
Could've learnt me more? I think you understand
Oh that you've got it
I try hard but I can't
Oh do without it
I think you understand
That you've got it What made you think
That I'd be true to you
I needed to prove it to myself
That I could let you go
What made you think
That I'd be a fool for you
You knew that I was lying
Tere was something I was hiding I think you understand
Oh that you've got it
Well I try hard but I can't
Oh do without it Ooh, I can do without it
Ooh, I wanna let you know
That I need you so
Ooh yeah, oh oh, oh honey come on
Ooh, oh
