

# Galileo

## Indigo Girls

Galileo's head was on the block  
The crime was looking up the truth  
And as the bombshells of my daily fears explode  
I try to trace them to my youth And then you had to bring up reincarnation  
Over a couple of beers the other night  
And now I'm serving time for mistakes  
Made by another in another lifetime How long 'til my soul gets it right?  
Can any human being ever reach that kind of light?  
I call on the resting soul, of Galileo  
King of night vision, king of insight And then I think about my fear of motion  
Which I never could explain  
Some other fool across the ocean years ago  
Must have crashed his little airplane  
How long 'til my soul gets it right?  
Could any human being ever reach that kind of light?  
I call on the resting soul, of Galileo  
King of night vision, king of insight I'm not making a joke,  
You know me, I take everything so seriously  
If we wait for the time 'til all souls get it right  
Then at least I know there'll be no nuclear annihilation  
In my lifetime, I'm still not right I offer thanks to those before me  
That's all I've got to say  
'Cause maybe you squandered big bucks in your lifetime  
Now i have to pay...  
But then again it feels like some sort of inspiration  
To let the next life off the hook  
But she'll say "look what I had to overcome from my last life  
I think I'll write a book!"  
How long 'til my soul gets it right?  
Can any human being ever reach the highest light?  
Except for (the resting soul) Galileo, God rest his soul (of Galileo)  
King of night vision, king of insight... How long...? (until my soul gets it right)  
( 'Til we reach the highest light)  
How long...? ('til my soul gets it right)  
( 'Til we reach the highest light)  
How long...
