Be Without You

Mary J. Blige

I wanna be with you, gotta be with you, need to be with you (Oh, oh, oh, oh)

I wanna be with you, gotta be with you, need to be with you (Oh, oh, oh, oh)

Oooo (oh, oh, oh, oh) ooooChemistry was crazy from the get-go

Neither one of us knew why

We didn't build nothing overnight

Cuz a love like this takes some time

People swore it off as a phase

Said we can't see that

Now from top to bottom

They see that we did that (yes)

It's so true that (yes)

We've been through it (yes)

We got real sh (yes)

See baby we been...Too strong for too long (and I can't be without you baby)

And I'll be waiting up until you get home (cuz I can't sleep without you baby)

Anybody who's ever loved, ya know just what I feelToo hard to fake it, nothing can replace it Call the radio if you just can't be without your babyI got a question for ya

See I already know the answer

But still I wanna ask you

Would you lie? (no)

Make me cry? (no)

Do somethin' behind my back and then try to cover it up?

Well, neither would I, baby

My love is only your love (yes)

I'll be faithful (yes)I'm for real (yes)

And with us you'll always know the deal

We've been...

Too strong for too long (and I can't be without you baby)And I'll be waiting up until you get home (cuz I can't sleep without you baby)

Anybody who's ever loved, ya know just what I feel

Too hard to fake it, nothing can replace it

Call the radio if you just can't be without your babySee this is real talk

I'm always stay (no matter what)

Good or bad (thick and thin)

Right or wrong (all day everyday)

Now if you're down on love or don't believe

This ain't for you (no, this ain't for you)

And if you got it deep in your heart

And deep down you know that it's true (come on, come on, come on)

Well, let me see you put your hands up (hands up)Fellas tell your lady she's the one (fellas tell

your lady she's the one, oh)
Put your hands up (hands up)
Ladies let him know he's got your love
Look him right in his eyes and tell him

We've been...Too strong for too long (and I can't be without you baby)

And I'll be waiting up until you get home (cuz I can't sleep without you baby)

Anybody who's ever loved, we know just what I feel

Anybody who's ever loved, ya know just what I feel Too hard to fake it, nothing can replace it

Call the radio if you just can't be without your baby

I wanna be with you, gotta be with you, need to be with you

I wanna be with you, gotta be with you, need to be with you

I wanna be with you, gotta be with you, need to be with you

I wanna be with you, gotta be with you, need to be with you

I wanna be with you, gotta be with you, need to be with you
