

# Crash My Party

Luke Bryan

It don't matter what plans I got, I can break 'em  
Yeah I can turn this thing around at the next red light  
And I don't mind tellin' all the guys I can't meet 'em  
Hell, we can all go raise some hell on any other night  
Girl I don't care, oh I just gotta see what you're wearin'  
Your hair, is it pulled up or fallin' down  
Oh I just have to see it now If you wanna call me, call me, call me  
You don't have to worry 'bout it baby  
You can wake me up in the dead of the night  
Wreck my plans, baby that's alright  
This is a drop everything kinda thing  
Swing on by, I'll pour you a drink  
The door's unlocked, I'll leave on the lights  
Baby you can crash my party anytime  
Ain't a spot downtown that's rockin' the way that you rock me  
Ain't a bar that can make me buzz the way that you do  
I could be on the front row of the best show  
And look down and see your face on my phone  
And I'm gone, so long, hang on  
I'll meet you in a minute or two If you wanna call me, call me, call me  
You don't have to worry 'bout it baby  
You can wake me up in the dead of the night  
Wreck my plans, baby that's alright  
This is a drop everything kinda thing  
Swing on by, I'll pour you a drink  
The door's unlocked, I'll leave on the lights  
Baby you can crash my party anytime  
If it's two in the mornin' and you're feelin' lonely,  
And wonderin' what I'm doin'  
Go ahead and call me, call me, call me  
You don't have to worry 'bout it baby  
You can wake me up in the dead of the night  
Wreck my plans, baby that's alright This is a drop everything kinda thing  
Swing on by, I'll pour you a drink  
The door's unlocked, I'll leave on the lights  
Baby you can crash my party anytime  
Baby you can crash my party anytime
